

# CT-AIMH *FREE*- Reflective Supervision/Consultation Training Series

This training is intended for Supervisors who are already providing or hope to provide Reflective Supervision to others.

## Topics will include:

- Introduction to Reflective Supervision/Consultation (RS/C): Best Practices, Reflective Interactive Observation Scale (RIOS), Culturally Responsive Practices and Integrating the Diversity-Informed Tenets into RS/C practice
- What does the Reflective Supervisory Relationship look like? Defining roles: Supervisor & Supervisee
- Reflective Supervision/Consultation formats; Individual, Group and Virtual Considerations
- Reflective Supervision/Consultation: Lessons learned from the field

- CT-AIMH is offering a FREE series of four training sessions, one in-person and three virtually (Zoom).
- This series is designed to be experienced as a whole, which means attending all four days. Participants will benefit from the opportunity to experience relationship-building, expand reflective capacity and increase professional growth.
- This series meets the CT-AIMH Endorsement requirements for the 15-hour didactic training in providing Reflective Supervision/Consultation.
