

INFANT/EARLY CHILDHOOD MENTAL HEALTH ENDORSEMENT®

Mental Health Specialist

Scope of work:
Treatment

Serves children
 ages 0-6

WHO

Parent-Infant Psychotherapist, Parent-Child Psychotherapist, Early Childhood Mental Health Specialist, Private Practice Therapist, etc.

DO YOU...

- Accurately interpret information from informal and formal observations and assessments to identify capacities and strengths as well as developmental delays and/or emotional disturbances in infants and young children served?
- Develop service plans that take into account the unique needs, desires, history, lifestyle, concerns, strengths, resources, cultural community, and priorities of each infant/young child and family?

DO YOU...

- Effectively implement relationship-focused, therapeutic parent-infant/young child interventions that enhance the capacities of parents and infants/young children?
- And more?

IF YOU ANSWERED YES...

You provide culturally sensitive, relationship-focused, infant and/or early childhood mental health treatment services intended to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the young child.

RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant and/or early childhood mental health treatment expertise.
