

Early Childhood Mental Health Specialist (ECMHS)

Early Childhood Mental Health Specialist Requirements

Education

- Master of Arts (MA), Master of Science (MS), Master of Education (MEd), Doctor of Education (EdD), Master of Social Work (MSW), Master of Nursing (MSN), Doctor of Psychology (PsyD), Doctor of Philosophy (PhD), Medical Doctor (MD), Doctor of Osteopathy (DO), or other degree specific to one's professional focus in infant mental health; university certificate program; and/or course work in areas such as infant development (prenatal up to 36 months), family-centered practice, cultural sensitivity, family relationships and dynamics, assessment, and intervention must be submitted in accordance with the Competency Guidelines®
- Unofficial transcripts from all degrees and from any college credits earned are required.

Work Experience

2 years, post-graduate, supervised work experience providing culturally sensitive, relationship-focused, ECMH services. This specialized work experience must be with both children 3 years up to 6 years old and their biological, foster, or adoptive parent on behalf of the parent-child relationship.

- ECMH services will include parent-infant/young child relationship-based therapies and practices and early relationship assessment and can include concrete assistance, advocacy, emotional support, and developmental guidance.
- These therapies and practices are intended to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the young child. The unresolved losses, or "ghosts," might be from adverse childhood experiences that occurred during the caregivers' own early childhood or may be related to more current circumstances for the child and family. Strong feelings, such as grief and loss, could also be associated with diagnosis or manifestation of a chronic illness, delay or disability.

	<ul style="list-style-type: none"> • Professionals from a variety of disciplines, not only licensed mental health professionals, may earn Endorsement if they have performed the work that meets this criteria. However, the applicant will need to have received the training necessary to provide this level of treatment/intervention AND receive reflective supervision/consultation from someone endorsed as an IMHS, ECMHS, IMHM-C or ECMHM-C, about the treatment/intervention. <p>OR</p> <ul style="list-style-type: none"> • In some cases, one year of a supervised graduate internship with direct ECMH practice experience as described above may be counted toward the 2 years paid work experience requirement if the supervisor of the internship is an endorsed professional IMHS, ECMHS, IMHM-C or ECMHM-C. Applicant will submit description of internship for application reviewers' consideration.
Training	<ul style="list-style-type: none"> • Applicants will include as many hours of training and/or continuing education as necessary to document that competencies (as specified in Competency Guidelines®) have been met • For those whose degree is in a field that is unrelated to early childhood mental health, more specialized in-service training may be required to meet the breadth and depth of the competencies • Training received will include the promotion of social-emotional development and the relationship-based principles and practices of infant and early childhood mental health • Minimum 30 clock hours required • Typically, successful ECMHS applications include an average of 75 or more hours of specialized training unless the applicant has completed coursework specific to the Competency Guidelines®
Reflective Supervision/Consultation RSC	Minimum of 50 hours required of relationship-focused, reflective supervision/consultation, individually or in a group, post-Masters, while providing services to children 3 years up to 6 years old and families. Provider of reflective

	supervision/consultation must be endorsed as an IMHS, ECMHS, IMHM-C or ECMHM-C
